## SUMMARY

Recent B.Tech Computer Science graduate with a solid background in web development. Completed an internship developing real-world web applications. Strong problem-solving, communication, and teamwork skills. Eager to join a full-time web developer role to deliver impactful solutions and grow with an innovative team.

## EDUCATION

**Shivaji University, Kolhapur**

B - Tech (CSE)     2022 - 2025

**Shri Shivaji Polytechnic Institute Parbhani**

Diploma (CSE)     2021 - 2022

## INTERNSHIP

**VIRAT CONSULTANCY AND IT SERVICES**     June-Dec 2024

Full Stack Web Developer
Developed a responsive web application using HTML, CSS, JavaScript, Bootstrap, and Django Framework. Built dynamic functionality using Python and integrated MySQL for backend database management. Collaborated with a team on real-world projects, demonstrating strong communication and teamwork.

## SKILLS

**Programming Language**: Python.
**Framework**: Django, React.js, Django REST Framework, Bootstrap.
**Front-End**: HTML, CSS, JavaScript.
**Database:** MySQL.
**Tools:** VS Code.
**Operating Systems**: Windows, Linux

## PERSONAL PROJECTS

**Dynamic Portfolio Website**
**Tech Stack:** HTML, CSS, Bootstrap, JavaScript, Django

Developed a dynamic portfolio website with Django backend and responsive front-end using Bootstrap. Integrated a central admin panel to manage and update all portfolio content dynamically. Enabled real-time updates for sections like About, Projects, Skills, and Contact without modifying code.

**I-Campus: smart academic and administrative portal**
**Tech Stack:** HTML, CSS, Bootstrap, JavaScript, Django

Built a comprehensive system to manage multiple colleges with roles including Principal, HOD, teaching & non-teaching staff, students, and librarian. Implemented role-based access and functionalities for effective administration and record management. Developed a user-friendly interface for seamless navigation and operations across departments.
